GET BACK ON TRACK

in Sydney's biggest backyard

Spotted Gums Loop

Spotted Gums Loop is a demanding and thoroughly enjoyable trail. While there are a few gravel sections, most of the walk is on a fire trail, so it's a bit more challenging than some of our other walks. As with all Parklands tracks and trails, there is plenty of breathtaking scenery to behold, while a chance meeting with a friendly kangaroo or wallaby is always on the cards.

Covering 5280 hectares and stretching over 27km, Western Sydney Parklands is home to more than 60km of different tracks and trails for you to explore.
