Binyang Matta Trail

Starting in the Richmond Road carpark, this walk is the 'big brother' of the Binyang Matta Short Loop. Over 6.7km, the path winds its way through grasslands, wetlands, and forests, taking in many spectacular sights in the Parkland, including the Eastern Creek crossings. Keep a look out for black shouldered kites, swift parrots, and azure kingfishers along the way. (Binyang Matta is a Dharug name for Place of Birds).

Covering 5280 hectares and stretching over 27km, Western Sydney Parklands is home to more than 70km of different tracks and trails for you to explore.
